

Meeting Notes

Project Title

Bike Crash Detection System Using Machine Learning

Meeting 1

Date:03 February 2026

Discussion:

Project idea finalized.

Responsibilities assigned.

Meeting 2

Date:17 February 2026

Discussion:

System design reviewed.

Technologies finalized.

Meeting 3

Date:03 March 2026

Discussion:

Implementation progress discussed.

Testing completed.

Meeting 4

Date:17 March 2026

Discussion:

Final report and submission reviewed.
